January 2010

Dear San Dieguito Third Grade Teachers,

The San Dieguito Heritage Museum is excited to announce the Fourth Annual Wendy Haskett Writing and Art Contest.

Enclosed is information about this exciting history contest for third graders:

- Background Information for Teachers: A bio of the remarkable Wendy Haskett, local historical writer, and tips about the area's history to help teleport your students into the past.
- Calling All Third Graders! Contest details for students.
- Helpful Hints: Digging into History: Ideas to help your students get started.

Students are invited to submit entries independently, but we encourage teachers to make this a writing project that gets all your students involved. Since third grade is a time to use every opportunity to get students writing, here is a great way to combine it with the Social Studies Curriculum and the prizes provide additional motivation.

If you have any questions, please contact me at the Heritage Museum or at my home.

Sincerely yours,

Linda McArdle

Wendy Haskett Contest Coordinator
