

Winner of May 2010 SDHM **Gold Key** Drawing!!

One evening soon Liz and David Meyers, along with another couple will walk through Evelyn Weidner's Garden gate, fire up the BBQ, pour the wine and get ready for an evening of good conversation, good food with good friends.

Liz and David were the lucky May winners of the **Gold Key** drawing. Liz is part of the Ecke family. It is former Ecke Poinsettia growing land that our museum is lucky enough to use. The entire Ecke family are strong supporters of the Museum and they are looking forward to the San Dieguito Flower growing History's outdoor exhibit happening one day soon.

It pays to be a **Gold Key** member of the Heritage Museum and support your museum at a \$100 or higher yearly level. You can upgrade your membership at any time and we can pro-rate the money to make it come out right.

All **Gold Key** Members are eligible to win a prize. No one knows what each month's prize will be. You might be next month's lucky winner. It's easy to become a **Gold Key** member. Just visit our web site www.sdheritage.org and become a member in a few steps online. Or pick up the phone (760-642-971).

If you've never joined or visited the San Dieguito Heritage, do it soon. You'll enjoy a step back into the past. Some of it very old and some of it not as distant as you enjoy the Surf Boarder's and the Skateboarder's exhibits.
